Thanking you.

Yours sincerely,

(Sushil Kumar)

Chief Electrical Engineer/RS

Encl: As above

First of all it will be determined whether each tender is accompanied with the valid tender security i.e. the required amount and in an acceptable form. Tenders not accompanied with the valid tender security shall be rejected and may not be evaluated further. Other aspects of general evaluation will be done as per Clause 1.1.4 of NIT and clauses A4.1, A4.2, A4.3, A 4.4.1, A4.5 and A5 of ITT.

E4.2 Evaluation of Prequalification criteria

This evaluation will be done to check if the tenderer quality the minimum eligibility criteria of "Work Experience", "Financial Standing" as laid down in Clause 1.1.4.2 of NIT and "Bid Capacity" criteria as laid down in Clause 1.1.4.3 of NIT. Tenderers, which do not qualify in any of the minimum eligibility criteria or Bid capacity criteria, shall not be considered for further evaluation of Technical packages and shall be rejected.

E4.3 Evaluation of Responsiveness

The employer will determine whether each tender is substantially responsive to the requirements of the Tender Documents i.e. it conforms to all terms, conditions and specifications of the tender document. In case of any non-conformity, the tender shall be disqualified and rejected.

E4.4 Evaluation of Material deviation or reservation

Each tender shall be evaluated for any material deviation or reservation. Material deviation or reservation is one:

- (a) which contains unauthorized changes to the Memorandum of Understanding from the Memorandum of Understanding accepted for Pre-qualification if any.
- (b) which affects in any substantial way, the scope, quality or performance of the Works;
- (c) which limits in any substantial way, is inconsistent with the Tender Documents, the Employer's right or the Tenderer's obligations under the Contract; or
- (d) whose rectification would affect unfairly the competitive position of other tenderers presenting responsive tenders.
- (e) With incomplete / a material misrepresentation information in Form of Tender for "Covenant of Integrity", even after clarification from the bidder

Tender having any material deviation or reservation shall be disqualified and rejected.

E4.5 Evaluation of qualifying conditions

A tender containing any qualification which

- (a) Seek to shift to the Employer, another Government Agency or another contractor all or part of the risk and/or liability allocated to the contractor in the Tender Documents; or.
- (b) Include a deviation from the Tender Documents which would render the Works, or any part thereof, unfit for their intended purpose; or
- (c) Fail to submit a workable methodology and programme to suit the local conditions; or
- (d) Fail to commit to the date specified for the completion of the Works, will be deemed non-conforming and shall be rejected.

E4.6 Evaluation of Technical Proposal & other technical data
